Serial No	

On the recommendation of the Comptroller sanction was conveyed to the introduction of the provisions of Section 2 Section 31 of the Imperial Travelling Allowance Code in the case of the Railway Police, the Railway Police Asst: Commr. and their respective establishments, whereby they would be entitled to draw their respective daily batta in addition to single Ry. fare, and would continue to draw at that rate until they were provided with free passes, after which they would be entitled to only daily batta.

2. The Inspector General of Police however considered this rate of Travelling Allowance quite insufficient in the case of the Railway Police Asst: & Inspectors and submitted two alternative proposals in regard to the former viz (1) that besides his first class fare, the Police Asst: be allowed 2 third class fares for 2 servants and that his batta be fixed at Rs. 57. or that he be allowed a permanent batta of Rs 75 per mensem besides the actual Ry fare. Mr. Rickelto however preferred

preferred the former as it would be an inducement to travellers.

In the case of the Insps^{rs}, Mr. Puckett proposed that their pay be fixed at Rs 75, and that in addition to 2nd class fare they be allowed halta at 1 Rupee per day they have to travel.

The Govt: however considered that as the existing rates of Travelling Allowance were found sufficient for other parts of India, some better grounds than those which have been put forward should be shown to exist for extending an exceptional concession to Railway Officials in Mysore. The Insp^r General thereupon asked for orders on his recommendation to increase the pay of the Railway Police Insp^s and remarked that similar Off^s on the British Indian side of the Southern Mahratta Railway got from Rs 145 to 170. He was requested to submit the proposal in the form of a Proposition Statement. The proposition statement has been read and is in the other file, and among other items provides for 1 Insp^r on

on Rs 70, and 2 on 60, in lieu of the sanctioned scale of 2 on 50 and 1 on 40.

2. Scale of Railway Police

In August 1889 the Inspector General of Police reported that in accordance with the verbal orders of the Dewan he had deputed Mr. Handin to be in charge of the Railway Police and recommended that he may be allowed to rank as an Asst. Commissioner, and his pay be fixed at Rs 250/- with the usual Travelling Allowance. He also reported that pending the question of a separate Railway Police he had detailed from the several districts 6 Duffadar or Sergeants and 112 Constables for Railway work, entertaining substitutes on full pay in their places. This was duly approved of.

Again in October 1889, he reported having detailed 3 Police Inspectors for Railway work entertaining substitutes on full pay in their places. This also was sanctioned but the number of

In regard to the Constables for clerical work he proposes to give them double 3^d Class Railway fare on acct: of their small salary. He was informed in reply "that it is observed that the Inspector Genl. has already entertained substitute in anticipation of sanction. A proposition statement for the entire staff of Railway Police including those now in question should be submitted as called for in this Office Camp No. 97-103 of 17. ultimo.

Such a proposition statement was accordingly received in this Office in August 1891, this statement contained the above items as "pending sanction" and also sought sanction to an increase of.

Rs 50 to Inspector's pay

27 Nov + 9 Dec from

Order no $\frac{13188-9}{1466}$ Df. $\frac{17-2-92}{18}$

The Dept of Police solicits sanction to the extent of 1 Serpant & 8 Constables for the Rangpur station & 2 Constables for the Kadakla Station. Making a total of 1 Serpant and 10 Constables for the Rangpur Extension of the Southern Maratha Railway system - The proposed cost is Rs 76 per mensem -

2 The reports above read are again incomplete & the so-called proposition stated & put forth therein has been of little use in the shape in which it has been prepared -

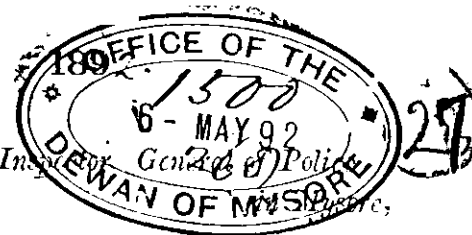

3 It is not stated how the two Railway Stations are classified - A reference to previous voluminous papers which ~~has~~ thereby become necessary

Shows that Nadwani Shakhis on
 the Kanhar Miyone line are
 Classed into 5 classes and
 the scales of establishment shown
 below: —

		<u>Suppld</u>	<u>Constables</u>
2 Shakhis 1 st Class	— 1	— 8	
4 " 2 nd	— 1	— 7	
4 " 3 rd	— "	— 4	
4 " 4 th	— "	— 3	
29 " 5 th	— "	— 2	

From this it is inferred that the 2nd ^{or 3rd} ^{per mensem}
 proposed to take Kanzenjode as 1st ^{or 2nd} ^{per mensem}
 Class & Kadahala as a 5th Class
 Shakhis. Of 1st class shakhis there
 are now only two viz Kanzenjode city
 & Mysore, & the necessity for treating
 Kanzenjode on a par with these two
 requires explanation —

4 of the 10 Constables proposed
 2 are of the 1st class ^{or 2nd} ^{per mensem} & 2 of the 2nd class on
 the 2nd per mensem, the remaining 6 being of the
 3rd class on the 6th per mensem. Compared
 with the proportion of 1st & 2nd class Constables

From

The Inspector General of Police

To

The Chief Secretary to the
Government of Mysore.

Sir,

I have the honor to acknowledge receipt of the Government Proceedings No. $\frac{13188-2}{1446}$ dated 17th February 1892, and with reference to paras 2 and 6 thereof, to submit a separate Proposition statement providing for one Serjeant and 10 Constables for the Nanjangode Extension of the Southern Maharatta Railway at a cost of Rs. 76 per mensem and to solicit sanction to the same.

2. I beg to add that the scale of pay provided in the above statement is in accordance with my proposal for the revision of pay of the Railway Police submitted to Government in July last.

3. As regards observations conveyed in paras 3 and 4 of the aforesaid proceedings, I beg to enclose copy of Railway Assistant Superintendent's letter No. 160, dated 15th March 1892, which gives the reasons for making Nanjangode a 1st class station and for maintaining a proportionate number of constables in each of the 3 grades. I have only to add that the fact that Nanjangode is now a Terminal station has given it some additional importance at present.

4. I further beg to submit that there were in the beginning only 3 classes of stations on the Arrichar-
Mysore Line as represented in this office ^{1553 1553 1553 1553} No. 907 dated
13th August 1889, and the complement having proved in-
sufficient, the sanction of Government for 18 additional
men was obtained in Government Proceedings No. 97-13
dated 17th April 1890 and they were distributed among
the stations according to their importance and requirements.
In para 3 of the above proceedings, the Government
have divided these stations into 5 classes according to
the strength of each station. This classification will be
adhered to in future. —

I have the honor to be
Sir,
Your most obedient servant.

From, The Assistant Superintendent, Railway Police,
Bangalore.

To, The Inspector General of Police
in Mysore,
Bangalore.

Dated 15th March 1892.

Sir,

In reply to your docket No. $\frac{3253}{85}$ dated 7-3-92, forwarding copy of Government Proceedings No. $\frac{13188-9}{1446}$ of 17th Ultimo, I beg to report that Nanjangud is a place of pilgrimage and as such is resorted to by people in large numbers from Mysore on festive occasions which are of frequent occurrence. Besides, the station is situated far away from the Town and is in close proximity to villages containing bad characters. It is therefore necessary to classify Nanjangud as a 1st class station and employ one Serjeant and 8 Constables.

2. There are at present 140 Constables on the whole line, of whom 3 draw Rs. 8/- each per mensem, 25 Rs. 7, and the rest Rs. 6/-. Thus it will be seen that the number of Constables in each grade is out of all proportion and a proposition Statement was therefore submitted to the Inspector General with this Office No. 107 dated 19-11-90, with a view to increase the number of Constables in the higher grades.

3. It is an admitted fact that the duties of the men employed on the Railway are more arduous than those in the District Police, as the former have to be on duty day

day and night and very vigilant on account of the facilities afforded by Railway travelling to the offenders who put in a few hours great distances between them and the scenes of their exploits.

4. Service on the Railway is looked upon with great disfavor by the Duffedars and the Constables not only on account of the above difficulties but also on account of some of their juniors having had promotions in the Districts from whence they had been transferred. Many of these apply frequently for transfer to the District Police.

5. In these circumstances, I beg that the Inspector General will be pleased to recommend to Government for sanction the scale proposed for Nanjangud station as it has enabled me to give promotions to a few of the deserving hands.
